**Robot Guide Dog from Switzerland**

We all know guide dogs can help blind people walk safely on the roads. But what if the blind person is afraid of dogs? Then our Robot Guide Dog can help! It is a dog-like robot. Just tell it your destination, and it will plan the routes and lead you there. It can also keep you from running into someone or something. It really helps a lot!

**Theia from the UK**

Not everyone enjoys keeping a dog, so we made Theia for you. It's just like a guide dog, but you can hold **it** in your hand. Just tell it your destination, and it will lead you there. It helps people (in need), not just blind people. What's better, it doesn't take much space in the house. Theia is your best helper!
