12. W: Terry, you shouldn't feed the monkeys in the mountains.

M: Why not? The monkeys look so hungry. And they love bananas.

Q: What does the woman tell Terry not to do?

G: I didn't do well on the Chinese test again. My parents must feel very sad again.

B: Did you study hard for it?

B: Well, there must be something wrong. I can help you if you need my help. Maybe we can study together next time.

Q: What does the boy tell Cindy?

15. M: Wendy, did you enjoy your class today?

W: Yes, I did. I love the science class very much. We listened to Mr. Wang talking about interesting insects. He brought a lot of great pictures to class and even showed us a good short movie.

W: No, they are so beautiful. I love them.

Q: Which is not true?
