Dear Diary,

2024/08/28

August 19 was an important day in life because it was my first time to travel in Italy with my parents. That evening, my uncle said goodbye to us at the airport, and then we were on the plane to Rome.

Our hotel was near the beach. On August 23, we went there and I swam in the sea with my dad. We two had a great time.

During the vacation, I had my cell phone with me. I didn't call anybody because mobile fee was expensive. Instead, I shared many pictures on Facebook with free Wi-Fi around. This morning, we went to a coffee shop. My bag was stolen! I was angry, but I was lucky – I didn't put my phone in the bag.

We came back at one o'clock in the early morning, so I'm super tired today!
